COMPLAINT DETAILS

Complaint Type: Appearance / Discoloration

Detailed Description:

The pharmacist reported that several Amoxicillin Capsules 500 mg from pack AP-KOR-8822 show a brownish-yellow discoloration of the capsule shell. Remaining units in pack AP-KOR-8821 are the expected ivory / off-white. No unusual odor. Patients were not dispensed the affected packs. The store has quarantined 48 capsules and requests QA investigation, retain-sample comparison, and replacement.

Patient exposure: None reported

Requested action: Route to QA investigation and issue replacement of 48 capsules.
